Collect

O Lord, raise up, we pray, your power and come among us, and with great might succour us; that whereas, through our sins and wickedness we are grievously hindered in running the race that is set before us, your bountiful grace and mercy may speedily help and deliver us; through Jesus Christ your Son our Lord, to whom with you and the Holy Spirit be honour and glory, now and for ever.

For our prayers during the coming week

Sunday	We pray for our local communities, for our neighbours, friends and other people we know. Ask God to help us to be good, friendly neighbours.
Monday	Ask God to provide all that we need in resources, human, spiritual and financial to do his work in our Team. Pray that we may each see how we can be part of the answer to our prayers.
Tuesday	Pray for our preparations for Christmas – that in the busyness of the coming weeks we don't lose sight of the real reasons for our celebrations.
Wednesday	For the work of WCCYM (West Cambridge Christian Youth Ministries) based on Comberton Village college and for Stephen Terrell as he heads up our work with children and young people. Pray that our churches may commend Christ to young people by all we do and say.
Thursday	We pray for the leaders of our country. We also remember world leaders who are known as Christians, that they may act with wisdom and integrity.

Friday	Pray for our stewardship of time and talents and money: that all that we do and give may be an expression of thankful worship to the God who has given us so much.
Saturday	Pray for the people in the UK and Ireland who struggle everyday with poverty, homelessness and unemployment and pray for the people who are showing God's love by working alongside them.
Every day	The effects of climate change hit the poorest people hardest. Pray for constructive and fruitful discussions at the international climate change review meeting in Buenos Aires, Dec 6th –17 th and for governments worldwide to tackle the causes and effects of climate change.
International Prayer Focus	For those in the Philippines suffering after 3 typhoons in the last 2 weeks.

Christmas by Candlelight *Britten Sinfonia*

Friday 10 December, 7.30 pm
Ely Cathedral

This candlelight celebration of English Christmas choral music opens with a selection of seasonal songs, featuring velvet-voiced Jonathon Lemalu. Vaughan Williams' Fantasia on Christmas Carols is a favourite at this time of year for its evocation of Christmases past. Britten's cantata St Nicholas depicts the fantastical life and adventures of the original Santa Claus, a larger-than-life hero who always arrives in the nick of time... a perfect way to welcome in the festive season.

*Tickets cost £23, £18, £11, £5, (£2 off concessions)
£5 any seat under 18's and students
